

## **Metropolitan Golf Club Tournament of Champions and Player of the Year**

This program is designed to identify and declare a “Player of the Year” based on regular club tournaments and using a points system.

A Tournament of Champions will be played in September and the net winner will be the Metropolitan Golf Club Player of the Year. A maximum of sixteen members will qualify for the tournament.

Players may qualify by being gross score champion or a net flight winner or a match play champion or flight winner of specified individual play tournaments from January through August. All qualifiers must have played in at least 2 MGC tournaments between January and September.

### **Tournament Qualifying:**
